Do you need to find a job?

Are you looking for a course to help you with a new career?

Do you want to brush up on your maths, English or IT?

Have a great idea for a new business?

Work clubs will provide you with the opportunity to access a range of services locally and we will be there to ensure that you have the support to complete a CV or application form, or learn the skills that you need to help you start a new career.

**Solihull Council's Employment Team is here to help.
Why not drop in and see how we can help you back into work?**

Do you need help to carry out jobsearch online, compile a CV or complete an application form? We are here to help you take the next steps along your route back into employment or learning.

If you want to brush up on your maths, English or IT skills, help your children at school or learn a new hobby, we can help you to access learning opportunities.

We will work with you to find the right training to help you get one step closer to employment - from short work club courses to one day or full time vocational courses, we will help you achieve your goals.

If you have a great idea for a new business and don't know where to start, then you can access free advice and support about self employment from Solihull's Enterprise for Success Team.

We also work with partners to support people with information and advice on health, childcare, benefits and travel.

Details of your local work club are overleaf, drop in and see how we can help.
