Programme Community Learning

Adult Courses from Sept 2010

Learning

Spanish—Intermediate

Develop a deeper understanding of the language and practice your speaking skills. Build on your existing vocabulary and grammar to help you deal with more complex real-life scenarios. Emphasis will be on speaking and listening but grammar will be included and taught in context including opportunities to look at authentic Spanish press articles and discuss their content.

Stained Glass & Mosaic Workshop

This is a practical course for the beginner and the returning student covering aspects of designing and assembling panels in the traditional leaded and copper foiling technique. It looks at the design and process needed to create beautiful stained glass and mosaic pieces for the home and garden.

Trampoline Lessons

This is a fun practical class aimed at local primary school children.

Wine Appreciation

An introduction to the fascinating world of wine. The main objective is to appreciate the range of wine types available. The course includes health and safety of wine, systematic wine tasting, viticulture, wine making, grape varieties and a look at some of the major wine-making areas of the world and the wines produced in those regions. Please note additional cost for the wine.

Woodwork

For absolute beginners or for those who want to refresh skills learnt at school. Use hand tools, construction of joints, types and uses of timber, manufactured boards, design, wood finishes and basic wood turning will be covered.

Courses on Offer

Cake Decorating

Various techniques will be used to decorate cakes including garret frills, drapes, cocoa painting and brush embroidery.

Calligraphy

Learn the art of beautiful writing with a step by step approach. Learn simple pen patterns, then letters to use on cards, envelopes, invitations, poetry etc. Suitable for beginners or those with some experience. We shall be looking at a Modern Celtic script in the autumn term; Italic and its applications in the spring term, and a sustained project in the summer term.

Computing for OAPs

This is a beginners class for pensioners to help teach them to use the internet and get by on a computer.

French

What do you want to be able to say or do with your French ? "Get by" in France, make friends with French people, entertain French speaking friends or colleagues, further your career...? If so this course is for you. It is straightforward and enjoyable and will give you the means to manage your own learning.

Landscape Painting

Learn to paint with watercolours, Gouache or acrylic on an individual basis. Any level welcome.

Patchwork and Quilting

Learn a variety of techniques and produce beautiful items such as table runners, cushions, wall hangings and quilts. No experience required.

Spanish—Beginners

Learn basic Spanish conversation in a fun, relaxed atmosphere to help you get by on your holidays.
