**Adult Courses from Sept 2011**

# Learning

## **Spanish—Intermediate**

Develop a deeper understanding of the language and practice your speaking skills. Build on your existing vocabulary and grammar to help you deal with more complex real-life scenarios. Emphasis will be on speaking and listening but grammar will be included and taught in context including opportunities to look at authentic Spanish press articles and discuss their content.

## **Stained Glass & Mosaic Workshop**

This is a practical course for the beginner and the returning student covering aspects of designing and assembling panels in the traditional leaded and copper foiling technique. It looks at the design and process needed to create beautiful stained glass and mosaic pieces for the home and garden.

## **Wine Appreciation**

An introduction to the fascinating world of wine. The main objective is to appreciate the range of wine types available. The course includes health and safety of wine, systematic wine tasting, viticulture, wine making, grape varieties and a look at some of the major wine-making areas of the world and the wines produced in those regions. Please note additional cost for the wine.

## **Woodwork**

For absolute beginners or for those who want to refresh skills learnt at school. Use hand tools, construction of joints, types and uses of timber, manufactured boards, design, wood finishes and basic wood turning will be covered.
