

**NON UNIFORM DAY**  
**23<sup>rd</sup> February 2012**

**GET KIDS GOING!**

In the Olympic and Paralympic Year, the school will be organising a number of Olympic based activities leading up to London 2012.

Members of staff from Light Hall will be competing in a number of “challenging” events over the coming months including the London Marathon, the London Triathlon and, for the first time, an Iron Man event (a long triathlon!)

Our chosen charity is “GET KIDS GOING” which is very appropriate in Paralympic year as the charity purchases adapted wheelchairs to enable young people to participate in sport.

Indeed, some of the money raised at Light Hall has already supported young athletes who are hoping to make the British 2012 Paralympic team.

Our chosen non-uniform day is 23<sup>rd</sup> February where a minimum of £1 per person is requested to support this good cause.
