Dear Parent

I would like to encourage you to contribute towards School Fund - **£20 per student or £25 per family (one or more student at school)**.

The money that is donated helps to pay for many aspects of school life that help enrich the curriculum for your children. Without your contribution we would have to severely restrict what extras we can offer. As an example, School Fund helps contribute towards the purchase and running costs of the mini-bus for travel to sports fixtures, theatre trips, seating areas for students at break times, rewards to encourage students and to support the provision of a student counselling and welfare service.

As a school, we would be extremely grateful for your support and would respectfully urge you to complete the Gift Aid declaration if you are a taxpayer. By doing so, as a basic rate tax payer, we receive £12.50 for every £10 donated. If you have any queries regarding the scheme or require further clarification please call the school directly.

Please do your best to support us in providing the best opportunities for all children at this school.

Payments can now be made by E-Payment using the guidance below.
