

Science & Technology Club for KS3 students

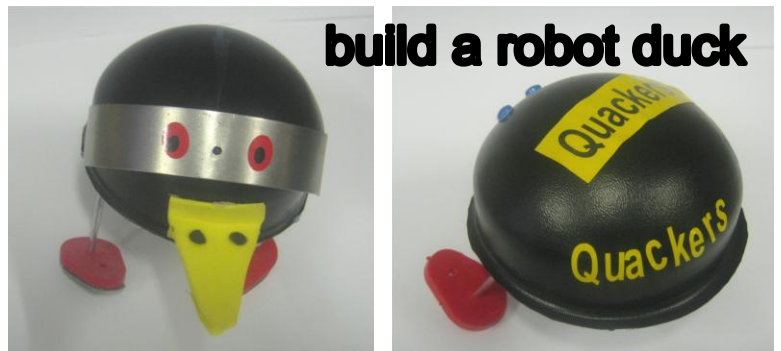

Mondays after school
3.00 - 4.00 p.m. in room B1

launch a bottle rocket

The KS3 Science & Technology Club takes place on Mondays from 3.00 - 4.00 p.m. This club encourages students to get involved in a range of Science and Technology projects. The pictures show some of the activities we do. If you want to join us, or find out more, come along to B1 on Mondays after school.

build a robot duck

build and race a car
