

FILMCLUB

Every Tuesday 3-4.30pm

Starting 27th September

Year 7 students come and join this unique club and get the chance to watch the latest movies with your friends plus movies you would never think of watching. Films can take you on all sorts of journeys: around the world, into outer space, and emotional journeys too. Once you are a member you can log onto the Filmclub website and add your critical views of the movies you have watched each week. You can also request a film you would like to see.

To join see Mrs Watson, next to reception, any day during first break or just turn up!
