WORD OF THE WEEK

DENOTE

Verb: to be a mark or
sign of; indicate.

Bold words **denote**
chapter headings.

The broad smile on
her face **denoted** that
she was feeling happy.

October is now well established and autumn is definitely upon us. The school term is in full swing and the children are feeling more settled. We are very fortunate to have the lovely grounds around school, the trees at the front of school are very beautiful with their leaves, both green and gold, reflecting our school emblem.

On the subject of gold, I have received an overwhelming amount of nominations of students to sign the Golden Book in acknowledgment of their excellent work and effort. I am very much looking forward to meeting them next week. I continue to see the same excellent work, as I visit lessons.

I am looking forward to our Literacy Information Evening which is planned for 11 October and the Year 11 parents' information evening on 12 October. I know that Year 11 are getting ready to take on their mock exams and are in preparation mode. This seems to have come around very quickly this year.

We are looking forward to many visitors in school over the course of the next couple of weeks and are grateful that they are able to help us bring our curriculum to life.

My best wishes for a peaceful and enjoyable weekend.

Annette Kamblin

WORLD

MENTAL HEALTH

DAY

10TH OCTOBER 2023

Every year we celebrate World Mental Health Day on 10 October. The theme for 2023, set by the World Foundation of Mental Health, is 'Mental health is a universal human right'.

World Mental Health Day is about raising awareness of mental health and driving positive change for everyone's mental health.

It's also a chance to talk about mental health, how we need to look after it, and how important it is to get help if you are struggling.

Come together with friends, families or colleagues this World Mental Health Day, by holding a Tea & Talk!
